Trap Shooting: five man teams will be created as you register and will shoot in the order assigned. The first team will begin shooting at 7:00 with subsequent teams following about every twenty minutes through out the evening. One round of trap is shot in two 25 round segments so your team will be called twice.

We will shoot rain or shine so dress appropriately. The rain and wind makes it even more challenging.

Please feel free to bring your own 12 gauge shotgun. Loaner shotguns will be available for no charge if needed.

Additional rounds of shot shells and clays can be purchased for \$18 per round.

Food will be provided through out the event and shooters can eat at the leisure.

Trophies will be awarded for the highest score.

Instructional aid will be provided for the safe handling of a shotgun and trap shooting procedures.

Alcohol Consumption: Beer will be provided AFTER the shooter has completed his round. There will be absolutely no beer allowed before shooting.
